Subject (9088030) Vapor Intrusion Numbers

Hi Susan,
Sorry for the delay in getting back to you.

I'm trying to find a list of sites, but haven't had success yet.

Here are some names of a few ERT folks who have done some vapor intrusion work (Phil Campagna, Jeff Catanzarita, and Gary Newhart.). They may have some insight into action levels and/or cleanup numbers.

Also, I'm aware that OSC Jack Kelly in Region 3 has been working on a vapor intrusion guidance for Region 3 personnel. He would probably be a good resource of information.

Subject TCE/Vapor Intrusion Numbers

Do you have a list of removal vapor intrusion sites across the country and the clean up numbers associated with the sites? If you don't could you recommend the best person for me to talk removal numbers with? This is related to the TCE vapor intrusion site we have in Texas (Delfasco).
Thank you.
